

Minutes of the Awareness Workshop at Varanasi on 21<sup>st</sup> December 2011 to promote the production of REBs

---

In continuation of the efforts to promote the clay- fired Resource Efficient Bricks (REBs) in the region, Int Nirmata Parishad (INP) organized an awareness workshop for brick kiln entrepreneurs at Hotel Ideal Tower on 21<sup>st</sup> December 2011 to promote the production of REBs by the brick kiln entrepreneurs. About 50 brick kiln entrepreneurs of the region participated in the workshop. The list of participants is attached as Annexure-1.

Welcoming the participants, Mr. K.K. Pandey, President INP, briefed about the UNDP/ GEF brick project and various initiatives undertaken by INP working as Local Resource Centre for the Eastern region under the project to promote the REBs.

Mr. O.P. Badlani, owner of M/s Prayag Clay Products Pvt. Ltd. that is

producing different type of clay- fired REBs in the region, from his own experience discussed in detail about manufacturing process of REBs, availability of affordable technology for producing REBs, selection of machinery depending upon production capacity,

technicalities involved in producing good quality REBs like proper drying and potential of REB as an energy-efficient building material whose market is steadily growing. He also highlighted the benefits of REBs over the traditional solid bricks and urged the participants to start producing REBs.

In the workshop, different types of REBs being produced in the region were also displayed. The participants took keen interest in the samples and raised various queries and those were duly answered by Mr. O.P. Badlani and his team. Mr. Shiv Prakash Singh, Secretary INP proposed the vote of thanks.
