

Punjab State Council for Science and Technology, Northern Region Local Resource Centre had put up a stall during exhibition “Punjab Destination Fair” held at Amritsar from 7-8 October 2011. This event was organized by CII, Northern Chapter, Chandigarh. The Council displayed posters and models on REBs at this stall. This event was visited by more than 2 lakhs visitors. Besides a number of local queries, the Council received about 10 queries from brick kiln owners, architects, builders and general public regarding availability, use of REBs and technology for manufacture of REBs. As follow-up action, Council attended to all these queries received in this regard.
